

Ve-net™ Bubble-Net®

Fabric Casing, offering excellent yield for smoked meat products available in a variety of patterns.

Product Features and Benefits:

- Produces either deep or soft indentations without air pockets, voids or peeling issues
- Excellent moisture retention and smoke penetration

Patterns:

- Square, rectangular, honeycomb, and diamond

Choose one or all of the following treatments:

- E-Z Peel™, a quick release agent that ensures easy net release
- E-Z Smoke®, a smoke color and flavor transfer in one product application
